Mr Dale Brooks | Director

Qualifications: Bachelor of Law/Arts (Hons), Senior Solicitor.

Experience: Board member since 2013, President of Cobram District Health Board.

Special Responsibilities: Member of the Audit & Risk Committee.

Ms Bernadette McKenzie | Director

Qualifications: Bachelor of Business (Accounting). Certified Practising Accountant (CPA).

Experience: Appointed as Board member 29th February 2016. 15 years Business and Accounting experience.

Special Responsibilities: Member of the Audit & Risk Committee.

Chairperson's & CEO's Report

On behalf of the Board of Management of MHA Care Limited we are pleased to present this report outlining the successes and challenges faced by the company in the period from July 2015 to June 2016.

The ongoing and enthusiastic support of our volunteer Board of Management, dedicated staff and volunteers has been instrumental in ensuring the delivery of a wide variety of services and supports throughout the community.

MHA Care's Home and Community Care (HACC) and Private in Home Support programs provide a variety of support services to elderly people, people with disabilities and their carers, which allow our clients to continue living independently within their own homes.

Our range of services include domestic assistance and personal care, respite care, social support, meal preparation, gardening and home maintenance, transportation services, and a range of challenging and exciting day centre programs.

In this past year, we assisted more than 1,100 clients and provided more than 25,000 hours of home help and domestic assistance, in addition to more than 11,000 hours of personal care. Our staff also provided more than 3,700 hours of respite care.

MHA Care has an extremely dedicated volunteer workforce of over 400 volunteers. MHA's volunteers assist with the four Delivered Meals programs operating throughout our local area, the Foodshare program, the Opportunity Shop and Planned Activity Groups. All of which are critical support services in our area.

MHA Care assists some of the most vulnerable people within our community.

We have delivered countless warm meals to those in need whilst providing the equivalent of over 200,000 meals distributed through the Moira Foodshare program. We have re-connected people through our Planned Activity Groups and the Yarrowonga Community Opportunity Shop is a community success story in its own right; providing viable options to affordable clothing, furniture, books and other household goods.

MHA Care is a community owned not-for-profit Company. We are a registered charity and any capital reserves are reinvested back into the company to support existing services and the development of vital new services.

We are what we are today due to the communities we serve, and we continue to focus on community engagement, development and participation. MHA Care benefits from the generosity of the community through volunteers and financial support.

Under the leadership of our executive team MHA Care has undergone a significant period of positive redevelopment and renewal; with changes to our organisational structure, human resource systems, payroll system, financial management system and client satisfaction and feedback mechanisms and we will continue to change by reducing indirect costs and administration overheads. These holistic changes will ensure we are there to support our community in the future and become the provider of choice; as we enter the new world of "consumer directed services" for community aged care.

The broader funding environment for aged care services remains fragile; the unfortunate challenge of doing more with less is ever present.

Nonetheless, financial position of MHA Care remains strong.

MHA Care posted a surplus of \$105,415(2015: net deficit \$181,515) for the financial year on a total operating revenue of \$4.388m (2015: \$4.867m).

As an organisation we continue to look for opportunities to both grow revenue and diversify it. This will ensure we can re-invest in the aged care services that so many in our communities rely upon.

Throughout the year we have continued to take an active role in working with other organisations locally, regionally and state-wide. Regular meetings with local Health Services (District Nursing and Community Health), membership on the Hume Region Aged Care Collaborative, Hume Health Services Partnership and the Goulburn Valley Primary Care Partnership were

productive and helpful in keeping our company informed.

We would like to extend a sincere thank you to the following member organisations for their support throughout the year:

- Victorian Department of Health and Human Services
- Commonwealth Department of Health
- Moira Shire Council
- Yarrowonga Health
- Cobram District Health
- Numurkah District Health Service
- Nathalia District Hospital

The Board and the Executive Team continues to monitor the external environment and the funding landscape as we transition from Victorian Department of Health and Human Services control to the Commonwealth Department of Health.

Our specific emphasis will be focused on commercial sustainability, provider of choice, employer of choice and creating a skill based governance structure in line with our Strategic Plan. This will put MHA Care in an excellent position to meet and embrace the challenges of the future.

It's the contribution that every person makes to MHA Care which makes our company such a success and ensures that we continue providing an outstanding level of service to our clients.

Paul Quinane | MHA Chairperson

John Dean | Chief Executive Officer

Responsible Entities Report

The Board
of Directors
submit this report
on the company
for the financial
year ended
30 June 2016.

Responsible Entities

- Mr Paul Quinane
- Mr David McKenzie
- Cr Alex Monk
- Mr Bruce Pigdon
- Mr Dale Brooks
- Ms Bernadette McKenzie (Appointed: 29/02/2016)
- Mr Jock McPherson (Resigned: 29/10/2015)

Principal Activities

The principal activities of the company during the year were the provision of Home and Community Services and Aged Care Services across the Moira Shire. These services include home help, delivered meals, home and garden maintenance, personal care, respite care and planned activity groups.

Operating Result

The net profit from operations amounted to \$105,415
(2015: net loss \$181,515)

Objectives

The company's objectives are to:

- Support people who are frail aged or have a disability to remain in their own home;
- Support family or other primary care givers in their role; and
- Operate the company in an effective, efficient and accountable manner.

Strategies

To achieve its stated objectives, the company has adopted the following strategies:

- Building commercial sustainability and positioning the company for future shifts in Government funding;
- Positioning the company as the preferred provider for home care clients; and
- Being recognised as an employer of choice for flexible, dynamic and professional staff.

Key Result Areas

The company has identified a range of key result areas to ensure our objectives are achieved. Key result areas include; ensuring continuous improvement, funding and other accountability requirements are met, and a skilled and efficient workforce is maintained.

Meetings of Responsible Entities

During the financial year, 9 meetings of directors were held. Attendances by each director were as follows:

	Eligible Meetings	Meetings attended
Mr Paul Quinane	9	8
Mr David McKenzie	9	7
Cr Alex Monk	9	7
Mr Bruce Pigdon	9	9
Mr Dale Brooks	9	9
Ms Bernadette McKenzie (Appointed: 29/02/2016)	4	3
Mr Jock McPherson (Resigned: 29/10/2015)	4	4

The company is incorporated under the Corporations Act 2001 and is a company limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of \$50 each towards meeting any outstanding obligations of the entity. At 30 June 2016, the total amount that members of the company are liable to contribute if the company is wound up is \$300.

Auditor's Independence Declaration

A copy of the Auditors Independence Declaration as required under s.60-40 of the Australian Charities and Not-for-Profits Commission Act 2012 is attached to this report and forms part of this report.

Signed in accordance with a resolution of the Board of Directors.

Mr Paul Quinane | Chairperson
Dated | 24th day of October 2016

Auditor's Independence Declaration Under Div 60-40 of Australian Charities and Non-For-Profits Commission Act 2012 to the Directors of MHA Care Limited

I declare that, to the best of my knowledge and belief, during the year ended 30 June 2016 there have been no contraventions of:

- (i) the auditor independence requirements as set out in the Australian Charities and Non-For-Profits Commission Act 2012 in relation to the audit; and
- (ii) any applicable code of professional conduct in relation to the audit.

Notes to the Financial Statements

Note 1: Statement of Accounting Policies

THE financial statements cover MHA Care Limited as an individual entity, incorporated and domiciled in Australia.

MHA Care Limited is a company limited by guarantee.

The financial statements were authorised for issue on 24 October 2016 by the directors of the company.

The directors have prepared the financial statements on the basis that the company is a non reporting entity because there are no users who are dependent on its general purpose financial statements. These financial statements are therefore special purpose financial statements that have been prepared in order to meet the requirements of the Australian Charities and Non-for-profits Commission Act 2012. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

The financial statements have been prepared in accordance with the mandatory Australian Accounting Standards applicable to registered charities reporting under the Australian Charities and Non-for-profits Commission Act 2012 and the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with those of previous periods unless stated otherwise.

The financial report has been prepared on an accruals basis and is based on historic costs with the exception of selected assets and liabilities for which the fair value basis of accounting has been applied.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Revenue

Grant revenue is recognised in profit or loss when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably. If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

Donations are recognised as revenue when

received.

Interest revenue is recognised as it accrues.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

(b) Property, Plant and Equipment

Each class of property, plant & equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal.

The depreciable amount of all fixed assets are depreciated on a straight line basis over their useful lives to the company commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

(c) Non-Current Assets

The carrying amounts of all non-current assets are reviewed at least annually to determine whether they are in excess of their recoverable amount. If the carrying amount of a non-current asset exceeds the recoverable amount, the asset is written down to the lower value. In assessing recoverable amounts the relevant cash flows have not been discounted to their present value.

(d) Receivables

Trade debtors are carried at nominal amounts due and are due for settlement within 30 days from the date of recognition.

Collectability of debts is reviewed on an ongoing basis. A provision for doubtful debts is raised where doubt as to collection exists.

(e) Inventories

Inventories are measured at 70 percent of the ticketed price of Opportunity Shop inventory on hand at the end of the year. The movement in inventory is treated as a donation to the company.

(f) Provision for Employee Leave Entitlements

i. Wages, Salaries and Annual Leave

The provision for employee entitlements to wages, salaries and annual leave represents the amount which the company has a present obligation to pay

resulting from employees' services provided up to the balance date. The provision has been calculated at nominal amounts based on current wage and salary rates and includes related on-costs.

ii. Long Service Leave

The liability for employee's entitlements to long service leave represents the present value of the estimated future cash outflows to be made by the employer resulting from employees' services provided up to the balance date.

Liabilities for employee entitlements which are not expected to be settled within twelve months are discounted using the rates attaching to national government securities at balance date, which most closely match the terms of maturity of the related liabilities. In determining the liability for employee entitlements, consideration has been given to future increases in wage and salary rates, and the company's experience with staff departures. Related on-costs have also been included in the liability.

(g) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the Income Tax Assessment Act 1997.

(h) Goods and Services Tax

Revenues, expenses and assets are recognised net of GST except for receivables and payables which are stated with the amount of GST included and except where the amount of GST incurred is not recoverable, in which case GST is recognised as part of the cost of acquisition of an asset or part of an item of expense or revenue. GST receivable from and payable to the Australian Taxation Office (ATO) is included in the statement of financial position. Cash flows are presented on a gross basis. The GST components of cash flows arising from investing and financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

(i) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

(j) Property held for Sale

Property is regarded as being held for sale upon

determination of the Board and when it is highly probable that the asset's sale is likely to be completed within 12 months from the date of the determination.

Property classified as held for sale is treated as a current asset and is measured at the lower of the carrying amount and the fair value less costs to sell. Property held for sale is not subject to depreciation.

(k) Intangibles

Software is recorded at cost. It has a finite life and is carried at cost less accumulated amortisation and any impairment losses. Software has an estimated useful life of between one and three years. It is assessed annually for impairment.

(l) Comparative Information

Where necessary the previous year's figures have been reclassified to facilitate comparisons.

(m) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line-basis over the term of the lease.

(n) Impairment of Assets

At the end of each reporting period, the company assesses whether there is any indication that the asset may be impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of that asset, being the higher of the asset's fair value less costs of disposal and its value-in-use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amounts is immediately recognised in profit & loss.

(o) Financial Instruments

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted).

i. Financial Assets

Loans and receivables includes cash and deposits, term deposits, trade receivables (exc. Statutory receivables). Statutory receivables, are recognised and measured similarly to contractual receivables (except for impairment), but are not classified as financial instruments because they do not arise from a contract. Loans and receivables are initially measured at fair value plus attributable costs. Subsequent to initial measurement, these assets are measured at amortised costs using effective interest rate method, less any impairment.

ii. Financial Liabilities

Financial instrument liabilities measured at amortised cost include all of the contractual payables, deposits held and advances received, and interest bearing arrangements other than those designated at fair value through profit or loss (which are none). Financial instrument liabilities are initially recognised on the date they are originated. They are initially measured at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, these financial instruments are measured at amortised

cost with any difference between the initial recognised amount and the redemption value being recognised in profit and loss over the period of the interest bearing liability, using the effective interest rate method.

iii. Impairment

At the end of each reporting period, the company assesses whether there is objective evidence that a financial asset has been impaired. A financial asset or a group of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of the occurrence of one or more events (a "loss event"), which has an impact on the estimated future cash flows of the financial asset(s).

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors, or a group of debtors, are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

iv. Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised when the related obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability, which is extinguished or transferred to another party, and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(p) Significant Management Judgement in applying accounting policies

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

i. Estimation Uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

ii. Impairment

In assessing impairment, management estimates

the recoverable amount of each asset or cash-generating units, based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

iii. Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain software and IT equipment.

iv. Inventories

Management estimates that 70% of ticketed price op shop inventory at hand represents net realisable values of inventories, taking into account the most reliable evidence available at each reporting date.

v. Long service leave

The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

(q) Grants in Advance

Includes any unutilised amounts and gains received on the condition that the expected services are delivered or conditions are fulfilled.

(r) Economic Dependency

MHA Care Ltd is dependent on various government departments for the majority of its revenue used for its operations. At the date of this report, the Board of Directors have no reason to believe that these government bodies will not continue to support MHA Care Ltd. MHA Care Ltd has a signed grant agreement with the Department of Health to provide services under the Commonwealth Home Support Programme. This agreement expires in June 2019.

(s) Accounting Standards issued but not yet effective and not been adopted early by the Company

There are a number of new accounting standards for application in future accounting periods. The only one which is likely to have any effect, if at all, is AASB 15 Revenue from Contracts with Customers which replaces AASB 118 Revenue, AASB 111 Construction Contracts and some revenue-related Interpretations and it establishes a new revenue recognition model. AASB has issued ED 260 Income of Not-for-Profit Entities, proposing to replace the income recognition requirements of AASB 1004 Contributions and provide guidance to assist not-for-profit entities to apply the principles of AASB 15.

The entity is yet to undertake a detailed assessment of the impact of AASB 15. However, based on the entity's preliminary assessment, the Standard is not expected to have a material impact on the transactions and balances recognised in the financial statements when it is first adopted for the year ending 30 June 2018.

Non Cancellable operating leases contracted for but not recognised in the financial statements.

	2016	2015
Payable		
Not later than 1 year	\$141,202	\$138,640
Later than 1 year and not later than 5 years	\$290,914	\$339,479
Later than 5 years	\$84,043	\$146,722
Total	\$516,139	\$624,840

Note 16: Events occurring after reporting date

Since 30 June 2016 no matter or circumstance has arisen which has significantly affected, or which may significantly affect, the operations of the organisation.

Note 17: Members' Guarantee

The company is incorporated under the Corporations Act 2001 and is a company limited by guarantee. If the company is wound up, the constitution states that each member is required to contribute a maximum of \$50 towards meeting any outstanding obligations of the entity. At 30 June 2016, the number of members was 6.

Note 18: Entity Details

The registered office of the company is:
MHA Care Limited
 22 Orr Street, Yarrowonga VIC 3730

Responsible Entities' Declaration (The Board)

The Responsible Entities of MHA Care declare that:

1. The financial statements and notes of MHA Care Ltd are in accordance with Australian Charities and Not for Profits Commission Act 2012, including:

(a) giving a true and fair view of the organisation's financial position as at 30 June 2016 and its performance and cash flows for the year ended on that date in accordance with the accounting policies described in Note 1; and

(b) complying with Australian Accounting Standards (including Australian Accounting interpretations and ACNC Regulations 2013)

2. There are reasonable grounds to believe that the organisation will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Responsible Entities.

Dated this 24th day of October 2016

Mr Paul Quinane | Chairperson

Dated | 28th September 2015

Independent Auditor's Report to the Members of MHA Care Limited

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report, of MHA Care Limited, which comprises the statement of financial position as at 30th June 2016, the statement of comprehensive income for the year then ended, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the Board of Directors assertion statement.

Directors' Responsibility for the Financial Report

Board of Directors are responsible for the preparation and fair presentation of the financial report and have determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Div 60 of Australian Charities and Non-for-profits Commission Act 2012 and the needs of the members. The Board's responsibility also includes such internal control as Board of Directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance

with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Association's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Board of Directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the Australian Charities and Non-for-profits Commission Act 2012. We confirm that the independence declaration required by the Australian Charities and Non-for-profits Commission Act 2012, which has been given to the directors of MHA Care Ltd would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion, the financial report of MHA Care Limited is in accordance with Div. 60 of the Australian Charities and Not-for-Profits Commission Act 2012, including:

- (i) giving a true and fair view of the company's financial position as at 30th June 2016 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards and Div 60 of Australian Charities and Non-for-profits Commission Regulation 2013 to the extent described in Note 1.

Basis of accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Board of Directors reporting responsibilities. As a result, the financial report may not be suitable for another purpose.
